To Our Members,

HAPPY NEW YEAR

I would like to take few minutes of your precious time to convey my holiday greetings to you all, on behalf of New England Umoja Foundation, Inc. and want to wish you a very Happy and prosperous New Year of 2011.

During the past year, our Organization has strived and continued to maintain Unity for all Tanzanians living in New England States and beyond. We did make progress and achieve that goal when we successfully celebrated nine years of our Culture heritage.

As we look forward to 2011, N.E.U. will have four objectives that need to be accomplished:

1. To increase our membership base of a \$50.00 fee due by (end of this month for the current board members), and January 31st for the rest of the Community. This will show a commitment to the Organization.
2. To have a splendid 10th year Anniversary as we celebrate our Culture heritage and other educational and fun activities on Sunday July 3rd 2011, at Camp Keewanee. N.E.U Foundation members will be in the frontline during planning, preparations and in making sure that at the event is successful one.
3. To identify and seek partnerships with other Non-profit Organizations based in the U.S, and operating in Tanzania. This will help further the growth of our Foundation and enhance networking.
4. To establish a Youth wing of N.E.U Foundation. This will empower the youth in our community, and will also create an environment that will assure the success continuation of N.E.U Foundation for the years to come.

Throughout the winter season, special event committee have organized fundraising events and activities.
